

Assisting Agreement

As an assistant in the Soul2Soul Weekend Intensive, I agree to:

1. Commit to participating in the weekend by paying the assisting fee of \$290, thirty days in advance. By doing so, I am modeling the willingness to **take action** and supporting others in doing the same.
2. Get the word out! I will support the out-reach of this work by working with my team/community to inspire others... i.e. sharing my experience with others and inviting them to participate; forwarding announcements and invitations (from the Center); referring interested leads to the Center or to someone on the team who can serve them.
3. Attend the pre-weekend Assistants' Circle.
4. Attend the Follow-up Session (Pot-luck)
5. Arrive at the retreat space by 5pm. (unless prior arrangements are made)
6. Help set up and break down the space. (Friday and Sunday)
7. Be on time for each session, throughout the Intensive.
8. Help prepare, serve, and clean up meals. (Where applicable)
9. Help keep the space and circle free of chaos and clutter.
10. Participate in all exercises 100%...modeling willingness, risk, and honor for others and Self.
11. Hold a peaceful, honoring, sacred and safe space for the new participants, fellow assistants, facilitator, and Self.
12. Honor all agreements set forth in the S2S Guidelines and Agreements. (As outlined in Friday's Session of manual)
